We continue to make offers until all available Year 7 places are filled.

Spring & Summer Term 2027

\*We understand that waiting for confirmation can feel challenging. However, independent schools are unable to require families to accept a place before Cambridgeshire County Council releases state secondary school places on 1 March. Following that date, we continue to offer places as they become available and will keep families informed throughout the process. We are grateful for your patience and aim to communicate as clearly and promptly as possible.
